COHORT IN A WORD: *Diverse. Inclusive. Life changing.*

SPECIAL COHORT EXPERIENCES AND EVENTS

"When we visited the Federal Reserve in 2007, I asked the leadership if they had any concern about the subprime mortgage situation and was told that the market can absorb it and will make adjustments. We all know how that went!"

"Donna Shalala spoke to our group about resilience in New York City. I recall her comment that in our positions of leadership, we were hired for our judgment, more than stamina or endurance. And if we didn't take care of ourselves, and were tired, over-stressed, etc., then our judgment would be impaired, and we would not bring our most important strength to our role."

NEWS AND CULTURE

Twitter was launched and the first tweet was written by co-founder Jack Dorsey.
 Nintendo launches the Wii and Wii Sports and changes the way video games are played.
 Disney's *High School Musical* is the channel's most viewed and anticipated program.
 The one billionth song is purchased from Apple iTunes.
 Google purchases YouTube for \$1.65 billion in stock.
 Barry Bonds of the San Francisco Giants breaks the record held by Babe Ruth and hits his 715th home run on May 28 to pass Babe Ruth on the all time greatest list.

MEMORABLE MOMENTS

"Working on a shared project with amazing colleagues."

"The learning and support to grow as a leader, starting with self learning and honest feedback so I could be and do better in my career journey and leadership role ... and being connected with RWJ Fellows, the most talented nurses in the country! The RWJ ENF program was and is life changing!"
