

***Your expertise is needed to participate in a 12-minute online survey to test a new instrument!*** The new survey instrument examines *the predictors of participation on health-related, corporate, or other boards*. Participation is voluntary, and the *Institutional Review Board (IRB) at Widener University* has approved the pilot study and the solicitation of subjects.

There are no known risks involved with participation in the pilot study. The information you share will be analyzed to estimate the reliability of the new instrument and reported confidentially. You will not be linked in any way to a board or organization. If you agree to participate, you will be asked to answer **four questions to determine eligibility**.

If eligible, you will receive a **\$50 electronic gift card** for completing the new survey instrument! [\*\*CLICK HERE TO DETERMINE YOUR ELIGIBILITY\*\*](#), or if you prefer to use your phone, capture this QR code:
